

FACT SHEET

Founded in 1994, with offices in Boston, MA and San Francisco, CA, Seacoast Capital invests non-controlling growth capital in partnership with management in lower middle market companies. Seacoast is industry agnostic and typically invests \$5 million to \$25 million of capital in companies with \$10 million or more in revenue and \$2 million or more of EBITDA. Capital is used to support growth, refinancings, acquisitions, family wealth transfers, shareholder liquidity events, or management buyouts. Since its inception, Seacoast has managed over \$600 million of capital. Now managing its fourth fund, Seacoast Capital Partners IV, L.P., the firm continues to actively seek new investment opportunities.
